*Beverwycked Ball + Built*

Albany's Architecture Through Artists' Eyes. The Ball will incorporate the silent art auction, light dinner fare and dancing to **BRIAN D. & THE ACCENTS**—a live swing band! Built will remain the same by highlighting local and regional artists' work inspired by Albany's built environment.

Cocktail hour begins at 6pm, with the event going full swing from 6:30-10pm. Black-tie optional, **HISTORIC COSTUMES PREFERRED**, but we want you there, so wear what you dare!

**CATHEDRAL OF ALL SAINTS**

62 South Swan St., corner of South Swan and Elk, next to the State Education Building on Washington Ave.

*Please RSVP by Thursday, October 29*

*The 35th Anniversary Pillars,*  
the founding members who started Historic Albany and those that have led the organization during our 35 years, will receive special mention at the event—please join them!
